Treatment: No chemical treatment required

Dosage: 0

AI Smart Advice (Bilingual)

हृदी: आपका गुड़हल (Hibiscus) पूरी तरह स्वस्थ है! इसे नियमति रूप से अच्छे से पानी (pni-wani) दें, बस मट्ठी नम रहनी चाहिए और अच्छी धूप दिखाएं।

English: Your Hibiscus (Gudhal) is perfectly healthy! Make sure to water it well regularly, keeping the soil moist but not waterlogged, and ensure good sunlight.

Follow-up Advice

- Continue scouting, remove dead leaves, and keep field airflow open.
- Avoid unnecessary spraying when crop is healthy.
